NAHUC Corporate Report Planning for the future, Reflecting on the past

This issue is NAHUC's corporate report. It contains a review of the past year and information about plans for the future. We encourage you to keep this issue to use as a reference throughout the year.

NAHUC Mission Statement

NAHUC was formed and continues to exist under its original mission statement: "The National Association of Health Unit Coordinators, Inc., is dedicated to promoting health unit coordinating as a profession through education and certification, complying with the NAHUC Standards of Practice, Standards of Education and Code of Ethics."

NAHUC Vision Statement

To become nationally recognized as the standard of excellence in the provision of education and certification for the health unit coordinator profession within the health care industry.

NAHUC Core Values

- Membership
- Education
- Certification
- Stewardship

NAHUC Winter Board Meeting and Workshop

On February 18 and 19, 2010, the NAHUC Board of Directors is holding their winter board meeting. One of the discussion items is NAHUC Bylaws. Please refer to back page on how to submit your input.

On February 20, 2010, the NAHUC Board of Directors is hosting a one-day education workshop. See calendar on page 5 for details. All are encouraged to attend the NAHUC meeting and workshop.

President's Message Juliann Olsen, CHUC, NAHUC President

This issue of *the Coordinator* is the corporate report for the National Association of Health Unit Coordinators, Inc. It is our hope that you will read and review the information provided. We, the NAHUC Board of Directors, are committed to the members of the association and want the members to know that we are aware of the wonderful things that the health unit coordinators

throughout the country are doing. We appreciate that YOU are the ones that help us grow through membership, certification, and education.

I hear so many wonderful stories about how YOU are furthering our profession. I would like to put out a challenge to health unit coordinators throughout the

(Continued on page 3)
